Quality & Safety First

As an industry leading company, we produce the best products in terms of design as well as quality to our clients at a rate of over 1.5 million units a year. We are committed to making sure all of the thousands of products per week we produce meet the highest standards for safety and quality.

BrandCharger is among the first to achieve 'Product Safety Aware' status in the Promotional Products Association International (PPAI, UNITED STATES) Product Safety Awareness Program.

A multiple award winning company

Over the past 13 years, we have established ourselves as a formidable presence in the Corporate Gift Industry, winning 36 industry awards and receiving numerous global nominations.

Each accolade fuels our passion to innovate and deliver beautiful products that set the standard in our industry.

Vortex Calix Ceramica Eco Sustainable luxury ceramic tumbler

Discover the pinnacle of eco-luxury with the Calix Ceramica Eco tumbler. Meticulously crafted from recycled stainless steel and adorned with a pristine ceramic inside coating, this tumbler is a testament to both quality and environmental stewardship.

Indulge in the purest flavors of your favorite coffees and teas, thanks to the ceramic coating. Odorless, durable, and a breeze to clean-your Calix Ceramica Eco ensures that every sip is as perfect as nature intended.

The Tritan screw-on, leak-proof lid features an ergonomic shape and secure screw cap, ensuring a perfect grip for comfortably sipping your favorite beverage while on the go. Tritan is known for its durability, clarity, and resistance to stains and odors. Its shatter-resistant nature and ability to withstand high temperatures make it the ideal material for our luxury drinkware.

For added convenience, the cap includes a carrier loop. This thoughtful detail allows for the attachment of a crossbody carrying belt (optional item), offering a hands-free experience as you carry your favorite drink with you.

Step into a greener future with the Calix Ceramica Eco tumbler-where elegance, functionality, and sustainability converge.

Size: 8 Ø x 14.5 cm (3.1 x 5.7 inch).
